

E4G CB916R Wheel Balancer

Simply
Efficient

Simple Control Panel

40mm Balancing Shaft

Accessory Bundle

Specifications

Model No: **E4G CB916R**

Our brand new wheel balancer for 2020 for use with both car and motorcycle wheels. We have been selling wheel balancers since 2010 and this is by far the best model yet. It handles rims up to 24". It is ideal for all tyre bays, wheel refurbishers and workshops. Only 1 input is needed, both the diameter and distance are both automatic making this an easy machine to operate. Superb value and revenue generator.
